EARLY START BRAVES THE STORM!

Once again, our families demonstrated the value they place on quality intensive therapy for their kids by braving the spring blizzard to attend Early Start the week of March 23rd. All 12 kiddos and their parents participated on Thursday, despite the forecast! Another Early Start session followed the following week with 8 families in attendance.

As a result, many of these special children with diagnosis ranging from cerebral palsy to Down syndrome and autism made some significant developmental gains. Jake Hogarth, who has Angelman's Syndrome, was provided with new tools to help him stand, to become more independent in eating and dressing himself, and to utilize his communication device more effectively.

"Adam's Camp completely met our high, excited expectation of the outcome and goals" according to Jake's mom, Susan.

Thanks to our dedicated therapists and staff for making these 2 weeks of therapy, education and support dynamic and memorable for 20 very special families.

Did you know.....

- Adam's Camp now has its own Facebook page. Check it out, and join the networking capabilities it offers our families and volunteers!
- You can be updated about Adam's Camp and our activities through our monthly "eblasts". Just send your email to Laurak@adamscamp.org to get the latest information about what's new.
- There are still staff and volunteer openings for summer, 2009! Therapists contact Lisa@adamscamp.org, or to volunteer, contact Helga@adamscamp.org OR visit our website for more information.
- There are over 100 families and 180 Adventure Campers signed up for this summer. The economy has not deterred our families from their commitment to Adam's Camp! This is a record year for attendance.
