We look forward
to seeing you
and your family
on September 25!

Register Online Today!

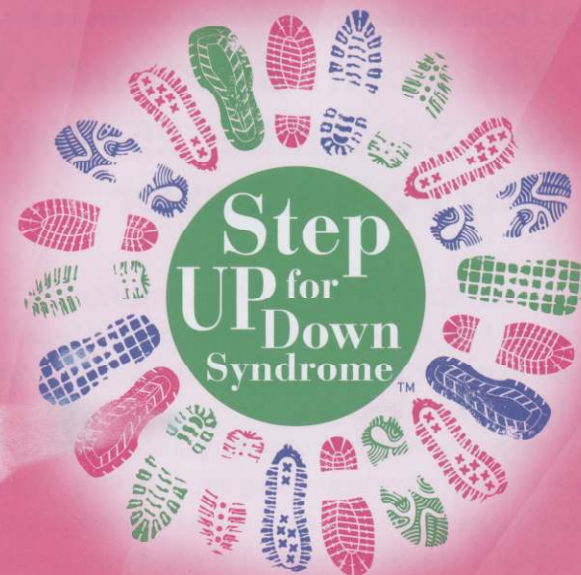

Visit us at www.StepUpDenver.org and build your team webpage, add photos, share your personal story and get tools to help organize your team and raise awareness! To register by phone, please call the MHDSA office at (303) 797-1699 and we'll be happy to help.

Show your support. Form a team!

Teams raise awareness of Down syndrome, compete for fantastic prizes (prizes may include airline tickets, sporting event tickets, restaurant gift certificates, MP3 players and more!) and help raise funds to support Down syndrome.

Become a Team Captain!

There is no fundraising requirement to form a team. Team captains receive assistance and training with the online registration process. Visit our website at www.StepUpDenver.org to learn more and form your team!

Help people with Down syndrome lead long, productive, empowered and independent lives. One out of every 690 live births is a child with Down syndrome. Chances are you, or someone you know have been touched by Down syndrome. By lending your support you help to ensure that the same resources and opportunities are available to all people in Colorado, regardless of the number of chromosomes they have.

Mile High Down Syndrome Association Presents...

Step Up for Down Syndrome Walk

Sunday, September 25, 2011

City Park – Denver

Let's walk!

You are invited to the 2011 STEP UP FOR DOWN SYNDROME! The walk promotes acceptance of all people with Down syndrome and helps raise funds for the Mile High Down Syndrome Association, which supports people with Down syndrome and their families and caregivers.

Down syndrome is the most commonly occurring chromosomal genetic disorder. People with Down syndrome are living into their 60's. With increased life expectancy comes a greater need for more formal education, job training, and programs/services to ensure that all of those living with Down syndrome in Colorado are empowered to live independent lives in their communities. MHDSA provides the programs and services that help make a difference in the people's lives.
